

Confirmation Letter on Standard Specification Plan

(In the case of the absence of industrial property rights to suspend licensing)

To: Japan Business Machine and Information System Industries Association

Re: Confirmation Letter on PJLink Specification Class 2

We hereby agree that,

We will comply with Letter of Agreement Concerning “Rules on Handling of Intellectual Property Rights Related to PJLink Specification Class 2 and/or Following Versions “ (hereinafter referred to as Agreement) prepared by the PJLink Working Group and with which we agreed;, and

As for any specification set forth in “PJLink Specification Version 2” (“new Specification”) adopted by Japan Business Machine and Information System Industries Association as the PJLink Specification under the Agreement, we agree to license our industrial property rights related to the “new Specification” to the extent that the industrial property rights will be covered within the scope of “Essential Industrial Property Rights” defined in Section 2.1) of the Agreement, subject to the terms and condition set forth in Section 2.4) of the Agreement indiscriminately under reasonable conditions, including free of charge, to PJLink Working Group member companies and/or to the other PJLink Specification adopters who have already provided JBMIA with confirmation letters expressing their intention that they agree to license their Essential Industrial Property Rights related to “PJLink Specification Class 2” indiscriminately under reasonable conditions, including free of charge.

We agree that all the matters set forth hereinabove shall remain in effect without any change despite of our withdrawal from the PJLink Working Group as set forth in the Agreement.

IN WITNESS WHEREOF, WE SUBMIT THIS LETTER TO YOU WITH SIGNATURE OF OUR DULY AUTHORIZED REPRESENTATIVE.,
